

Glendale Community College Scholars Program
STUDENT GRADE REPORT

To Instructors: One form is required for each class in which a Scholars applicant is currently enrolled. The purpose of this report is to indicate the student's current grade in the course to assist with evaluation of the Scholars application. The more precise the information you provide, the more helpful it will be. Thank you for your help!
 —Michael C. Harnett, Ph. D., GCC Scholars Program Director. Email: scholars@glendale.edu
 Scholars website: www.gccscholars.com

Student Name: _____
